William Darby v. State of Alabama (Appeal from Madison Circuit Court: CC18-3238)

ORDER

On August 27, 2021, a deficiency notice was served on the appellant's retained counsel in the above-referenced cause directing that immediate action be taken to comply with Rule 3(e) of the Alabama Rules of Appellate Procedure or show good cause to this Court why the appellant is not required to file a docketing statement at this point in time. More than 14 days have now passed and the appellant's counsel has yet to take the action directed in the deficiency notice.

Upon consideration of the above, the Court of Criminal Appeals ORDERS that in the event the appellant's counsel has not complied with the above-referenced deficiency notice within 14 days from the date of this order, another order will be issued dismissing this appeal and a copy of the dismissal order will be forwarded to the Disciplinary Board of the Alabama State Bar.

Done this the 30th day of September, 2021.
